

SACE International Program

Recommended Textbooks and Resources

Pre-SACE

Government
of South Australia

SACE
International

The SACE Board does not require particular textbooks and student manuals to be followed during the teaching of the SACE International program. However, a list of suggested textbooks and teaching resources is provided to assist teachers and students.

Please note, not all content in each textbook or resource will be relevant for SACE subjects.

Teachers should select content and topics from textbooks and resources that are relevant to SACE subject outlines.

The textbooks and resources suitable for:

Teachers

Students

Both Teachers and Students

English as an Additional Language

Online resources

VCE Accounting

- Units 1 and 2, 5th edn, Macmillan Education, Melbourne (includes access to OneStopDigital support materials).
- Units 3 and 4, 5th edn, Macmillan Education, Melbourne (includes access to OneStopDigital support materials)

Parts of these publications are useful for SACE Accounting, however, not all of the information in the publications is necessarily useful

The Essentials Workbook is designed to support the teaching of SACE Stage 1 Biology in South

The Essentials Workbook is designed to support the teaching of SACE Stage 1 Biology in South Australia. The SACE 1 Biology Workbook is designed to meet the Subject Outline requirements of the Stage 1 course.

Collins Cobuild Elementary English Grammar

The second edition of the Collins COBUILD Elementary English Grammar has been written for pre- intermediate to intermediate learners of English in order to provide them with a sound understanding of the basics of English Grammar. The reference material is attractively presented on the left-hand pages, with useful and challenging exercises on the right-hand pages, serving as reinforcement. Examples from the Bank of English have been used to illustrate the patterns shown, common phrases have been identified and highlighted, and additional help is offered for spelling and pronunciation. Hundreds of specially-drawn cartoons vividly illustrate the grammatical points being made.
